

ABOUT VOUCHERS FOR VETERANS

The mission of Vouchers for Veterans is to show recognition and gratitude to Veterans living in New Hampshire and Maine primarily by providing them with vouchers to purchase locally grown and prepared food directly from farmers and growers at local farmers markets.

WE BELIEVE

Veterans are the backbone of this great nation. They fought tirelessly protecting our freedoms so that we may remain the “Land of Opportunity.” They put their lives at risk, and on hold, protecting our country from harm.

We believe that those who sacrifice for others have earned more than gratitude. They deserve support and relief. Our passion is to deliver that support and relief to our Veterans.
